**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was so very disappointed with service from AT&T and have been so very happy with Sonic. Smaller companies need to work harder and pay more attention to consumer needs. Please honor the spirit of competition that has been the basis for American growth and innovation. I strongly object to price hikes that will increase the cost of internet and telephone services. These price hikes make a big difference to a low-income senior like me. I run a non-profit out of my home, and Sonic's broadband is critical to my work.

Sincerely,

Beth Abrams, President
BACPAJE (the Beth Abrams' Center for Peace, Arts, Justice & the Environment)
